

Wednesday - 20 December 1950

1. Mrs. Humphries, Rep. Jenison's office, called to request that I assist her in locating two DP children who were supposed to have arrived by plane yesterday and evidently got off the plane somewhere in Europe. I informed her that I could not pull men off their work overseas for such a search in these times, particularly in the light of other remedies available through the DP Commission or the State Department.

2. Director's Staff Meeting.
